1. Julie Ziegelman - Project Graduation

- a. **Project Graduation** is an all-night alcohol-free and drug-free celebration for seniors immediately following the 2018 graduation ceremony. WHO BENEFITS? SENIORS: Stay safe by avoiding alcohol, drugs and reckless driving on a night which is statistically the deadliest driving night nationwide for high school seniors.
- b. We need a Vice President, Treasurer, and Parliamentarian for Project Graduation
- c. It is a 501C - all donations are tax deductible
- d. Shattered Dreams:
 - Are we going to do this? Not sure yet
 - If so, we will be needing student volunteers

2. Where will the event be held: We discussed the benefits Main event and Dave and Busters. During the discussion it became apparent that the group wanted to have the event at Main Event. We held the vote and Main Event was chosen unanimously. Sammy said the treasurer, Kathy, is out of town, but she would get the money from her next week.

3. Funds update

- a. Class has \$1500 down to reserve space at the Main Event
- b. The current Treasurer asked for a volunteer to take over her position. They will write thank you letters for all incoming contributions. Anna Yost volunteered to take the position of treasurer. She was elected unanimously

4. Fundraising: We need volunteers to be in charge of the fundraisers and help run them. Ideas for fundraisers:

- Savers – a lot of work for a little money
- Mattress Sale – Mid January – Maria Raper & Anna Yost; Julie will ask Mike Garrison about doing it at Mccallum. Maria will talk to the Mattress people and go to the Anderson High School Mattress sale.
